

## Dog Policy

We're thrilled to welcome your four-legged friends to the Tillingham Estate and want to ensure your stay goes off without a hitch. Please take a moment to check out our dog policy:

Given our location on a working livestock farm with free-range animals and our resident cat, Bertie, we kindly ask that your dog stays on a lead outside your room. If your dog happens to go off-leash, no offense, but we might ask you to put it back on. We just want to keep your dog, our animals, and other guests safe.

Unfortunately, our main restaurant is a no-go for dogs due to the open kitchen, but feel free to leave your dog relaxing in the room while you enjoy the seasonal menu prepared by our chefs.

The Tillingham bar, pizza barn, and our wine tours are all dog-friendly, so do feel free to bring them. We have designated a dog litter bin in the car park.

Please, can we kindly request that your dog is kept off your bed. Dog beds, bowls, and blankets are provided for your pets' comfort and your convenience. There's a modest charge of £30 per dog per stay, settled upon check-out. Thanks for choosing Tillingham—we're looking forward to meeting both you and your canine companion!
